Bonnie;

Here's the information for the remaining three guest lecturers. Feel free to change things around and put them in the order you think works best. I know there's quite a bit of information for Dickson and Jaggar. I think the blurb "For further information . . ." could be reduced to "Advisory Committee Women's Studies; 432-3093" or maybe even "Information - 432-3903".

I guess we'll have to see how it works out. Let me know.

Thanks

Leslie
