Dear Fellow-sister,

I am very interested in belonging to the centre, as I am currently teaching sociology from a female-centered perspective. Please send me all ^{the} information you have on future activities of the centre - what sorts of resources are there at the centre?

Sincerely,

Louise Gendreau

Marilyn, Jean:

Woman named Grace Kane is interested in helping ~~the~~ with the Research Institute. We were talking about fundraising at the time, but I think she ~~meant~~ ~~said~~ ^{was referring to} getting involved in a more general sense as well.

Grace Kane
