

Appendix VII

Outcome Tracker

Shelter Agreement to Move to Outcome Tracker

_____ (name of agency) will participate with the Alberta Council of Women's Shelters and other ACWS member shelters in using Outcome Tracker of Vista Share as the agency software for data collection and reporting.

It is expected that the following programs and associated number of users will be moving to Outcome Tracker.

Please include all shelter related programming, such as residential and non-residential services, outreach and follow-up services, children's programming and domestic violence counseling.

Program Name	Number of Users (include all possible users)
1. _____	_____
2. _____	_____
3. _____	_____

Please use the following questions to describe your plans with regards to uploading information from HOMES into Outcome Tracker.

Will you be interested in importing any information from HOMES into Outcome Tracker?

Yes No

If yes, then please complete the following table:

Program from which data will be imported	Type of information you need imported (case noted, demographics, surveys, etc)	Estimated number of years of data you'd like imported (from__ to__)	Estimated number of cases you'd like imported
