Dear Noreen:

Thank you for taking the time to speak with me today. Your conference sounds like it will be a very rewarding experience for the delegates.

As promised, I have attached a quotation regarding the production of name badges for the convention. ConventionALL produces the namebadges on the TRACKER database which will provide you not only with quality, professional looking name badges but also an accounting report for the conference, an event attendee report and a final alphabetical listing of attendees. These reports are invaluable for on-site organization as well as post-convention follow up. I have attached sample copies of the reports for you and your committee's review.

I look forward to continuing our discussions, should you have any questions, please feel free to contact me at 403-244-7821.

Sincerely,

A handwritten signature in dark ink, appearing to read 'Gina Grosenick', written in a cursive style.

Dear Noreen:

Thank you for taking the time to speak with me today. Your conference sounds like it will be a very rewarding experience for the delegates.

As promised, I have attached a quotation regarding the production of name badges for the convention. ConventionALL produces the namebadges on the TRACKER database which will provide you not only with quality, professional looking name badges but also an accounting report for the conference, an event attendee report and a final alphabetical listing of attendees. These reports are invaluable for on-site organization as well as post-convention follow up. I have attached sample copies of the reports for you and your committee's review.

I look forward to continuing our discussions, should you have any questions, please feel free to contact me at 403-244-7821.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Gina Grosenick'.
