Dear Nancy Warren,

I am writing in response to your comments on our publication dated May 9, 1990. First let me apologize for our delay in responding. We have undergone some administrative changes and your letter was misplaced in the changeover.

Thankyou for your suggestion that we include ordering information for the periodicals we index. You will be happy to hear that since the issue you referred to (Vol.5 #1) we have included a list of names and addresses of Canadian women's/feminist periodicals. We feel this is sufficient information for an index such as ours. If changes are to be made to this format it will be for Volume 7.

In your letter you requested information on three periodicals:

Dear Mair Smith:

x 1 I am writing in response to your invitation for comments about your publication, and also to ask you for your assistance.

First of all, may I suggest that you include salient order information on each periodical represented in CWPI, similar to the information provided in each issue of Feminist periodicals? I am including a photocopy of an excerpt from FP's listing as a sample for you.

As you know, not all Canadian women's periodicals are so easily tracked down by simply conferring in Ulrich's. It seems a pity to me, that your publication goes to such great lengths to document title pages and to provide a KWOC index, yet there is no avenue provided in the same issue for obtaining the periodical.

* 2 Secondly, I am confused by the great disparity in your periodicals listing between your May/August '89 issue and your Jan./April '89 issue. May I propose that you continue to include an explanatory paragraph at the head of your lists, with a triple set of asterisks:

- 1) Comprehensive coverage and tables of contents included: *
- 2) Not available in the issue: **
- 3) Journals that are strictly feminist/women oriented. ***

* 3 Thirdly, I need your help!

As the result of a faculty survey conducted during the Fall of 1989, I have tracked down all but a few remaining journals which I would like to order for the Library. I note that three of these titles are included in your CWPI lists, and therefore beseech you to supply me with the following information regarding

- 1) Pandora - *see periodical list for address*
- 2) Cayenne - *defunct, but info could be got from copies in stock*
- 3) Newsmagazine by Alberta Women - *defunct*

I need: ADDRESS AND PHONE NUMBER

In developing the collection, I have consciously selected journals which are indexed somewhere/somehow. I trust that you will keep your extremely dependent users up to date.

This long helpful letter is in reply to one I sent out when working at ♀ P - I don't see it as part of my involvement to reply to it now, but will supply some feedback in case someone wishes to reply:

* 1. Since the issue (US^{*1}) she is referring to, I have included a list of names & addresses of Canadian Women's/Feminist periodicals. I think this is sufficient info for an index such as ours. (If we decide to list as her enclosed sample, I see that as a separate piece of work).

consider
Vol 7

* 2. Right on! See Pat's recent comments & my subsequent fix-up.

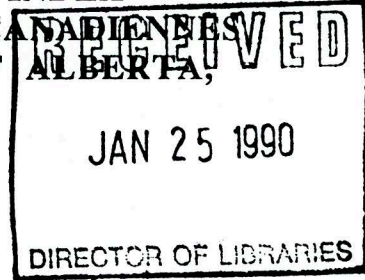

* 3. Info on these periodicals can be obtained from the Resource Centre.

CANADIAN WOMEN'S PERIODICALS INDEX
INDEX DES PÉRIODIQUES POUR FEMMES CANADIENNES
11019 90 AVENUE, UNIVERSITY OF ALBERTA,
EDMONTON AB T6G 2E1

Dear Reference Librarian:

We are pleased to forward to you a complimentary copy of the Canadian Women's Periodicals Index/Index des périodiques pour femmes canadiennes.

The index is an attractive complement to the Canadian Periodical Index and Women's Studies Abstracts. Collecting Canadian women's materials together in one thrice yearly publication, your users will find the Canadian Women's Periodicals Index to be a convenient and timely research tool.

Because coverage includes popular, scholarly and special interest periodicals, the Canadian Women's Periodicals Index is relevant to a wide range of users seeking information in the social sciences, humanities, policy making and public opinion. Citations also include entries for book reviews, interviews, creative writings and expressions as well as article-length entries.

If you are already familiar with the Canadian Women's Periodicals Index, please take this opportunity to consider recent improvements incorporated in the index. Remaining a Key Words out of Context index has permitted us to keep subscription costs low and still offer an easy access reference tool which can be utilized simply and quickly by your users.

We welcome any comments you have about our publication. Subscription information is contained at the back of the index.

Sincerely,

Mair Smith

CANADIAN WOMEN'S PERIODICALS INDEX
INDEX DES PÉRIODIQUES POUR FEMMES CANADIENNES
11019 90 AVENUE, UNIVERSITY OF ALBERTA,
EDMONTON AB T6G 2E1

We are sending you the most recent copy of the Canadian Women's Periodicals Index/Index des périodiques pour femmes canadiennes. You may already be familiar with this index. It is a computerized listing of Canadian feminist articles - i e , articles appearing in Canadian feminist periodicals, articles with a feminist relevance from other Canadian publications and articles about Canada or written by Canadians appearing in feminist publications from elsewhere in the world. It is issued three times a year, and is available by subscription. It is a project of the Canadian Research Institute for the Advancement of Women (CRIAOW) and is produced by the Women's Program, Faculty of Extension, University of Alberta.

One of the most challenging aspects of producing the Index is obtaining regular, current issues of relevant publications - the budget for the Index does not allow for subscriptions! We are therefore writing to propose an exchange - your publication for ours, with the benefit to you that your publication will be indexed regularly, and while they are current.

We are also enclosing camera ready copy, in several sizes and styles, of an announcement for you to include in each issue of your publication. Please let us know what you think about the exchange, and feel free to give us feedback about the Index. A SASE is enclosed.

Thank you - we hope we can be of use to each other.

Dear Frieda Forman,

Please excuse the delay in responding to your letter. In response to your letter (copy included), we presently send the Index to "Library & Periodicals". OISE is currently an Institutional Member of CRIAW, which entitles OISE to one copy of the Canadian Women's Periodicals Index.

Please advise if you would like to update your library. We sent letters in October to the Institutions which are members and have a number of libraries and areas where the Index was being sent. This letter was to help us clarify where the one copy of the Index should be sent. One problem for us as well, was that the Libraries or areas themselves were not communicating with each other.

I hope this helps in clearing the situation. And again if you would like to update, please let me know.

Yours truly,

CANADIAN WOMEN'S PERIODICALS INDEX
INDEX DES PÉRIODIQUES POUR FEMMES CANADIENNES
11019 90 AVENUE, UNIVERSITY OF ALBERTA,
EDMONTON AB T6G 2E1

We are sending you the most recent copy of the Canadian Women's Periodicals Index/Index des périodiques pour femmes canadiennes. You may already be familiar with this index. It is a computerized listing of Canadian feminist articles - i e , articles appearing in Canadian feminist periodicals, articles with a feminist relevance from other Canadian publications and articles about Canada or written by Canadians appearing in feminist publications from elsewhere in the world. It is issued three times a year, and is available by subscription. It is a project of the Canadian Research Institute for the Advancement of Women (CRIAOW) and is produced by the Women's Program, Faculty of Extension, University of Alberta.

One of the most challenging aspects of producing the Index is obtaining regular, current issues of relevant publications - the budget for the Index does not allow for subscriptions! We are therefore writing to propose an exchange - your publication for ours, with the benefit to you that your publication will be indexed regularly, and while they are current.

We are also enclosing camera ready copy, in several sizes and styles, of an announcement for you to include in each issue of your publication. Please let us know what you think about the exchange, and feel free to give us feedback about the Index. A SASE is enclosed.

Thank you - we hope we can be of use to each other.
